...TEXT: the health services market-going beyond providing information and into creating full-service health benefits web sites.

These entrepreneurs are creating virtual preferred provider organizations (PPOs) or health maintenance organizations (HMOs)...

...to offer benefits more efficiently and at a lower cost to their employees. And the Internet is providing some interesting options here."

Rank-Smith, who also is a member of the...

...expanding at a rapid rate. Quantifying the growth is tough because new health-related sites pop up almost daily. But behind this rapid expansion are confused employers and HR professionals who are left wondering just how...

...market is going to shake out.

Because of the sudden proliferation of health sites, "the Internet health field is due for a huge correction," says Efrem Sigel with Corporate Research Group...

...will roll out a "risk-adjusted health care contribution plan" available through the company's web site, Tierney says.

When insurers quote benefits prices to employers, the insurers usually base their...

...s going to assume that risk are the keys to providing health insurance on the web."

The fact that eBenX operates online makes its risk-adjusted model possible. By providing online...health insurance providers to change the way they

operate.

THIS SCREEN SHOT FROM THE EBENX WEB SITE SHOWS HOW THE COMPANY STRUCTURES ITS SYSTEMS. ONLINE HEALTH BENEFITS PROVIDERS LIKE EBENX SAY...

...is evolving so fast, and it will only get better with time," Kushner says. "The web is definitely the future for benefits administration, but not everyone is online yet. And employers...

...online, offer toll-free phone access to their services rather than relying solely on the web, Kushner
